

# ALMERIMAR GOLF COURSE

The Golf Course Almerimar has 27 holes and was designed by Gary Player. The Almerimar Golf Course offers enormous play possibilities and challenges. The wide fairways are bordered by amazing palm trees and the layout is punctuated by a number of dangerous but beautiful water hazards. Almerimar has a good variety of tees to ensure that there is a suitable challenge for every visitor. The natural beauty that surrounds the course makes it really special while the golf course is sure to leave a lasting impression on every visitor during their golfing holiday.
